Job description

Job content

Our Official School of Languages receives adult students of seven different languages (German, Chinese, French, Spanish for foreigners, Italian, English, Portuguese). Our students come to learn as extracurricular classes. They may have many different jobs and ages.

The trainee will practice oral skills with students alongside the teacher; participate in various cultural activities held in the school; lead a language club; pupil support; collaborate with the Head of Department and Administrators in tasks of the lab and school library, and any other required by the Head teacher of the school.

Notes

The International Office of the University of Valladolid will help SMP grantees to find accommodation in Valladolid.

The Escuela Oficial de Idiomas will try to facilitate Spanish courses.
