

BOSTON: HUB OF OPPORTUNITY

Academic Internship Council

Both dynamic and historic, Boston is a world-class hub of intellectual advancement and entrepreneurship. Home to more than 30 colleges and universities, the Boston area is one of world's great academic centers. It is also a hive of innovation and business activity in a range of industry sectors, from finance and technology to healthcare and marketing.

Boston offers a wide variety of cultural activities, from historical sites and museums to theatre, dance, music, and sports. Boston is a beautiful and manageable city, easily explored with its excellent public transportation system—the first in the U.S.

With all these advantages, Boston is an ideal venue for a challenging and rewarding internship program.

Please note: Exact internship is determined through personalized placement process for each student

"I am enjoying myself and learning at a place that will position me well for the future."

- Tyler K.
ESC New England

"Little did I know that my internship experience was more than I had bargained for. I learned how to film a show, direct it, and work audio! I also learned some other skills that I could use in my everyday life: confidence, building a thick skin, multitasking, and focus. I am very pleased with my internship. I find it fun, exciting, where I love my co-workers and don't mind working."

-Gabrielle B.
Boston Neighborhood Network

Now part of the CIEE family, offering more opportunities in more places to more students
